EXPERIENCE

Owen Jones and Partners

May 2023 - May 2024

Developer | WordPress, Craft, PostgreSQL, PHP, DDEV, ReactJS, VueJS, AngularJS, Gulp, Grunt

Portland, Oregon

- Developed custom code for clients like Disney & UnitedHealthGroup and internal teams, blending static and CMS-driven approaches to build and deliver business and product websites.
- Spearheaded the development of internal toolkits and highly reusable web components and libraries, boosting developer productivity and reducing dev prep time.
- Developed CI/CD pipelines to enable automated builds, tests, containerization and continuous delivery of modules.
- Integrated cutting-edge technologies into projects in order to modernize the project tech stack.

Owen Jones and Partners

July 2021 - May 2023

Junior Developer | TypeScript, Headless CMS, Jamstack, SASS, WordPress, Laravel, Twig, Figma

Portland, Oregon

- Created modular components of client websites, utilizing several full-stack development tools.
- Took ownership of various parts of multiple projects, ensuring deliverables were on schedule.
- Worked on troubleshooting and resolution of issues on existing websites, consistently fixing tickets on time.
- Participated in code reviews and testing, developing the documentation for the internal team's code repository.

HomePainter LLC

May 2020 - August 2020

Software Development Intern | TypeScript, Node, AngularJS, NPM, Adobe XD, Google Analytics

Ames, Iowa

- Developed and tested high-quality, accessible webpages and Angular components for HomePainter's SaaS website.
- Designed and developed a new contractor platform from scratch in Angular, including the login state functionality, resulting in a 90 percent increase in monthly revenue.
- Established a new code organization standard, leading to increased code throughput and enhanced documentation quality within the repository.

EDUCATION

Iowa State University

Aug 2018 - May 2021

Master of Science in Information Systems, Graduate Minor in Philosophy (GPA: 3.85 / 4.00)

Ames, Iowa

- **Certification:** Business Analytics
- **Teaching:** Graduate Research and Teaching Assistant (Network Infrastructure)

Pune University - PCCOE&R

Jul 2014 - May 2018

Bachelor of Engineering in Computer Engineering (GPA: 3.75 / 4.00)

Pune, India

PROJECTS

UnitedHealthGroup  Website | Gulp, DDEV, JavaScript, Nunjucks
